# Letter from the Editor

Dear Reader, we hope you are so incredibly blessed as you walk with Jesus through every season of home life. We hope this content is uplifting and encouraging to your relationship with our Lord Jesus.

This month, we hope to bring an encouraging reminder of our true home in Christ with a little lavender style. Discover how the Lord used the Possin Family and their home as a lavender farm to bless others and to further His Kingdom. Uncover ways to use lavender for both a healthy sleep routine and household cleaning products. Need a vacation? Find out places in Washington State perfect for family time.

Through all the fun that *Whatever is Home* brings, our heart desires that you will grow deeper in your walk with Jesus, fixing your heart on Him. The mission of *Whatever is Home* is to bring Philippians 4:8 into the home and to grow deeper in relationship with Jesus. No matter what season of home you are in, you never walk life alone. God loves us and cares for every detail of our lives. And nothing can ever separate us from His Love.

Blessings,  
*Hadassah Henry*

# DIY (With Your Kids!) Spring Decorations

**1** Gather paper, hot glue, tape, scissors, and magnets. Begin by cutting a 5 x 5-inch piece of card stock paper.

**2** Fold the paper in half, and then fold again 1/4ths of an inch of the paper over itself. Apply glue or tape to hold it in place.

**3** Gently roll the paper into a cone shape. Add glue to keep it in place. Next, you and your kids can draw any kind of design or paint to the project.

**4** Glue a magnet to the back of the cone, and add a bow or ribbon on the front.

**5** Fill the vase with flowers or decorative ones. Let dry, and then enjoy as a picture holder on your fridge or let your kids give theirs to grandma as a gift!
